# T455

## Power Through the Job

When tough working conditions demand performance and reliability, look to the Vermeer® T455 hydrostatic trencher. Powered by a John Deere 4045T PowerTech diesel engine providing 125 hp (93 kW), the T455 is capable of trenching depths up to 6' (1.8 m) in utility installation applications.

## Compact Machine, Big Features

As an industry leader in trencher design, Vermeer offers the T455 in a compact footprint for maneuverability in confined spaces. With an 18" (46 cm) wide, flat conveyor to reduce spoil buildup, and optional Auto-tilt Track which delivers a vertical trench on slopes up to 10 degrees, the T455 is one of the most versatile and efficient trenchers in its class.

## When You Demand Solid Results

# Your Complete Global Service Provider for Quality Parts and Service

*Get the parts and service edge. In addition to providing quality equipment, Vermeer delivers top-quality parts and superior services. Vermeer parts are manufactured to exacting specifications to help keep your Vermeer equipment running trouble-free and at OEM specifications.*
